Dear Sir/Madam

ATM CARD DEACTIVATION

I humbly request that my ATM card (Visa) be deactivated with immediate effect, card details (4714741701003004 Mohammed Adamu) which is linked to my account (2030320764550 Mohammed Adamu). Am currently in India for further studies and will not be using it although it a visa card but the account will still be very active for other purposes. I also request that if there are charges on the email and SMS notifications I get on my account transactions should also be deactivated except for the mobile application that I use should not be deactivated.

I apologized for any inconvenience caused with my decision.

Thank you.

Yours faithfully

Mohammed Adamu
